## ESTADIO WANDA METROPOLITANO ATLÉTICO MADRID

The Estadio Wanda Metropolitano, the legendary home stadium of Atlético Madrid, is a symbol of Spanish football tradition. This detailed miniature stadium perfectly captures the impressive roof structure and red lighting, making it a true eye-catcher for any Los Colchoneros fan.

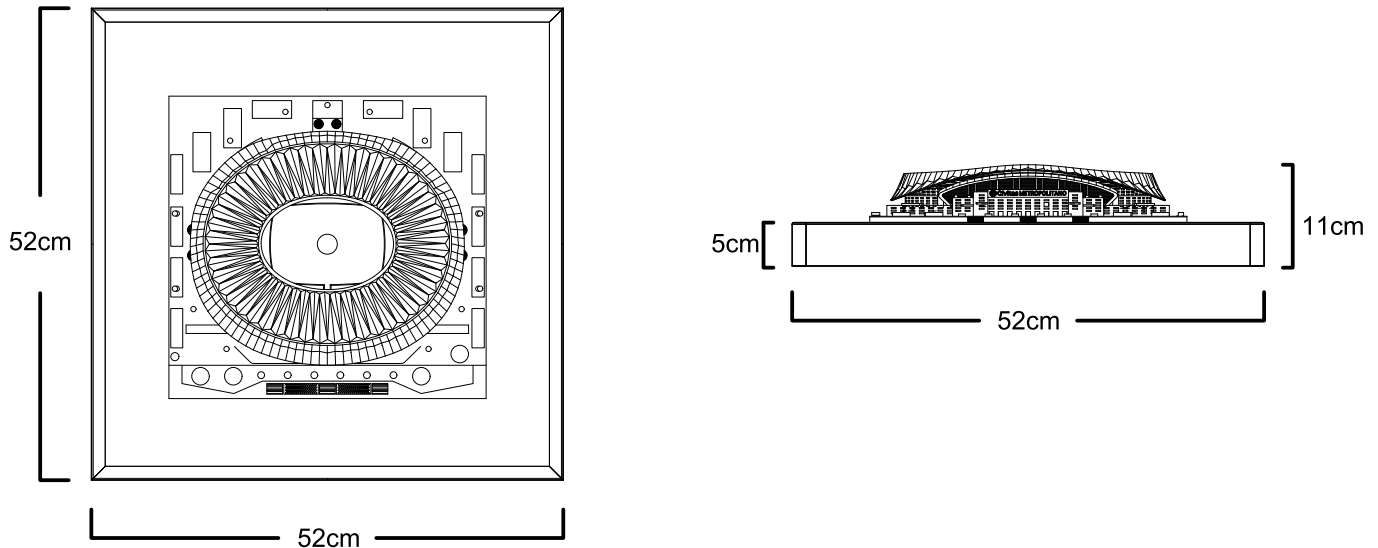

Opened in 2017, the Estadio Wanda Metropolitano is the new home of Atlético Madrid, built on the site of the old Estadio La Peineta, a former athletics stadium in Madrid. With a capacity of over 68,000 seats, it stands as an iconic example of modern stadium architecture. It has since been the scene of countless unforgettable moments in both Spanish and European football history.

The design of Estadio Wanda Metropolitano blends classic and modern elements, with the old main stand of Estadio La Peineta forming the base of the new stadium. The most striking feature of the stadium is its unique folding roof. This iconic roof, which gives the stadium its distinctive look, has been faithfully recreated by Stadiums For Ants. Using the latest advancements in 3D printing technology, the roof has been reproduced in meticulous detail.

## SIZING

Dimensions: 55 cm x 55 cm x 11 cm  
Weight Premium Edition: Approx. 8 kg

### Material:

Base Plate – Acrylic  
Frame – Solid Wood  
Stadium – 3D printed parts, created with various technologies  
Decals – PVC-free stickers  
Lighting – LED strips  
Power Supply – USB cable, wall adapter not included

Stadiums For Ants uses advanced LED techniques to realistically light their miniature stadiums. The field lighting is provided by precise (white) LED spotlights, creating a lifelike appearance on the field. Around the stadium, diffused ambient lighting creates a natural, atmospheric glow. The entire setup runs efficiently on 5 volts and is powered directly via a wall adapter, ensuring stable and safe energy supply.

### Maintenance:

Frame/Plate – Clean with a dry cloth, no cleaning products

Stadium – Do not clean the stadium itself. Only use compressed air to remove dust
