

ALLIANZ ARENA, FC BAYERN MÜNCHEN

LIMITED EDITION

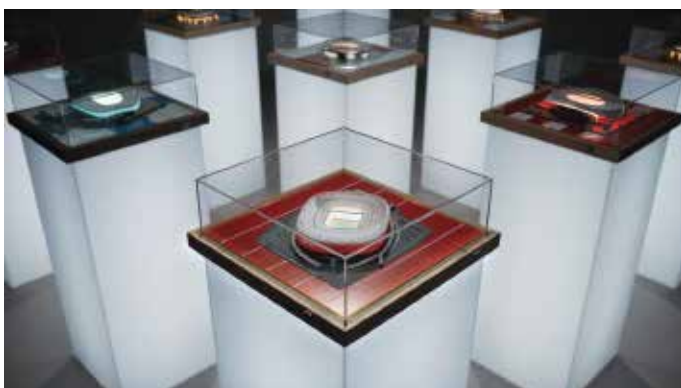

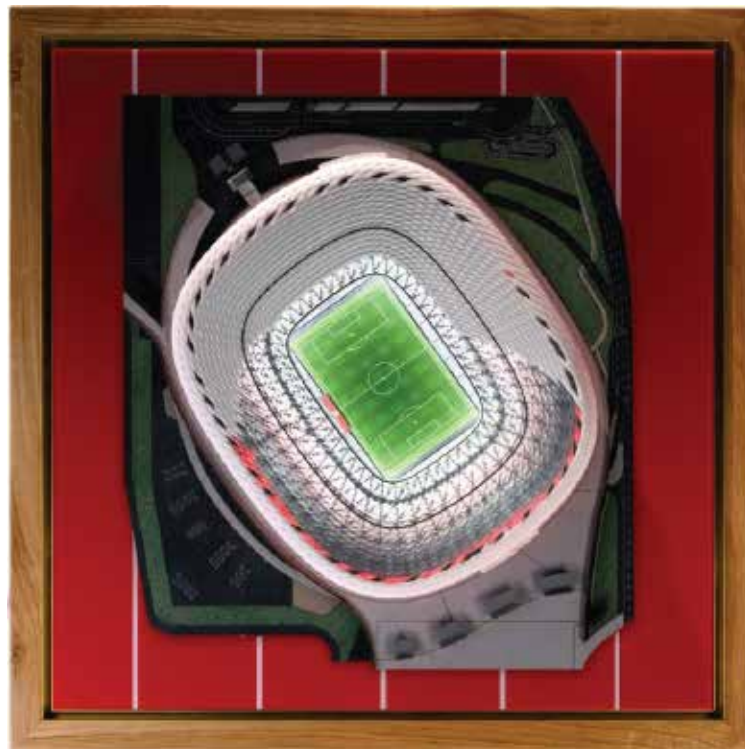

ALLIANZ ARENA, FC BAYERN MÜNCHEN, MUNICH

The Allianz Arena, the iconic home stadium of FC Bayern München, is an architectural marvel admired worldwide. This detailed miniature stadium showcases the innovative illuminated façade and the unique design of the stadium, bringing the magic of this German football monument to your home.

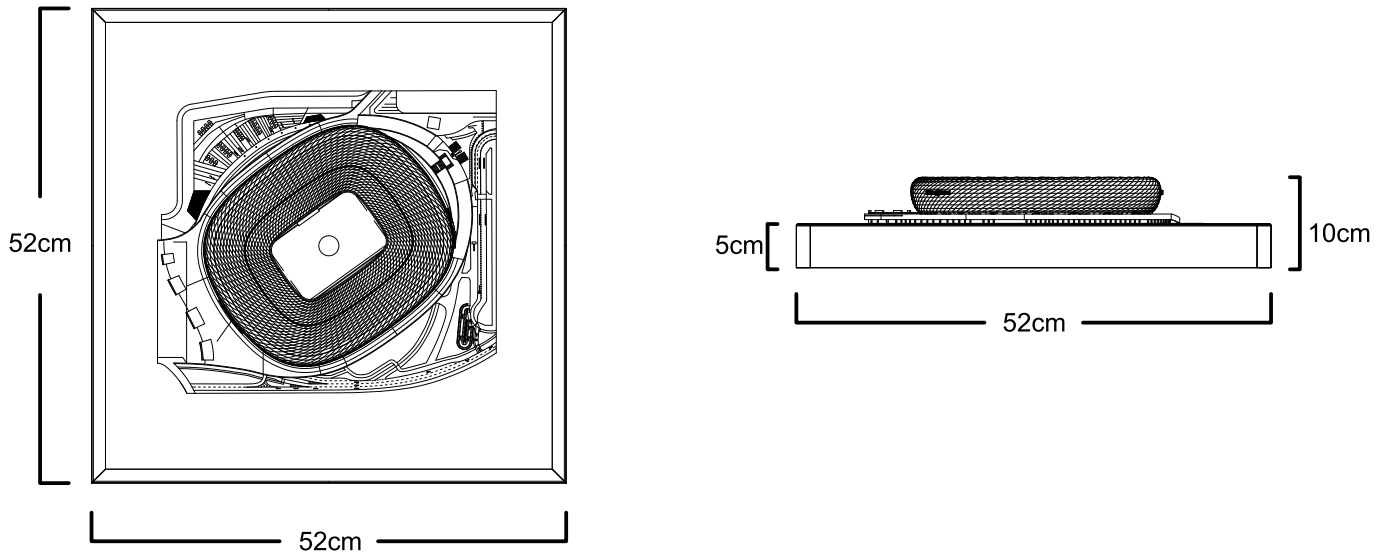

Opened in 2005, the Allianz Arena is the proud home of FC Bayern München, Germany's record champions. The stadium holds over 76,000 spectators and is a symbol of modern stadium architecture. Designed by the famous Swiss architectural firm Herzog & de Meuron, the Allianz Arena is known for its distinctive ETFE (Ethylene Tetrafluoroethylene) inflatable cushion façade, which is translucent. This feature allows the stadium to be lit in different colors for various occasions, giving it a dynamic character.

The Allianz Arena is not only the home of FC Bayern but also an important venue for international tournaments, such as the opening match of the 2006 FIFA World Cup. The stadium has witnessed countless legendary moments, including the **heartbreaking loss of Bayern Munich in the 2012 UEFA Champions League final against Chelsea**. Despite this defeat, the Allianz Arena remains a symbol of the club's strength and history.

SIZING

Dimensions: 55 cm x 55 cm x 10 cm
Weight Premium Edition: Approx. 8 kg

Material:

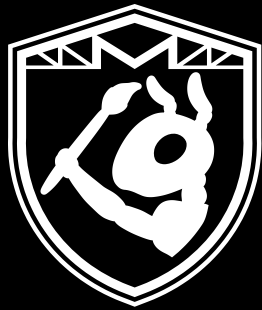

Base Plate – Acrylic
Frame – Solid Wood
Stadium – 3D printed parts, created with various technologies
Decals – PVC-free stickers
Lighting – LED strips
Power Supply – USB cable, wall adapter not included

Stadiums For Ants uses advanced LED techniques to realistically light their miniature stadiums. The field lighting is provided by precise (white) LED spotlights, creating a lifelike appearance on the field. Around the stadium, diffused ambient lighting creates a natural, atmospheric glow. The entire setup runs efficiently on 5 volts and is powered directly via a wall adapter, ensuring stable and safe energy supply.

Maintenance:

Frame/Plate – Clean with a dry cloth, no cleaning products

Stadium – Do not clean the stadium itself. Only use compressed air to remove dust
